Overview

Dr. Rajat Bhattacharyya is a highly experienced Paediatric Haematologist based in Kolkata, West Bengal, with an impressive 28 years in the medical field. A graduate of medicine with an MBBS degree, he further enhanced his credentials by earning an MD in Paediatrics in 1997. Dr. Bhattacharyya's pursuit of knowledge and excellence led him to complete a Completion Certificate of Training (CCT) in Haematology from the General Medical Council in the UK in January 2011. He also achieved a Fellowship in Paediatric Haematology Oncology and Bone Marrow Transplantation from the prestigious British Columbia Children's Hospital in Vancouver, Canada, in June 2011. In 2015, he received both the Paediatric subspecialty certification and the Paediatric Haematology Oncology certification from the Singapore Medical Council, showcasing his commitment to staying at the forefront of his specialty.

Fluent in English, Hindi, and Bengali, Dr. Bhattacharyya is well-equipped to cater to a diverse patient demographic, ensuring effective communication and understanding. His professional journey is marked by an unwavering dedication to pediatric care and a focus on improving the lives of children with hematological conditions. As part of the Apollo network, Dr. Bhattacharyya is known for his compassionate

approach and thorough treatment modalities tailored to each individual's needs, making him a trusted choice for families seeking specialized care in paediatric haematology.

Dr. Bhattacharyya's expertise covers a wide range of pediatric blood disorders, and he is dedicated to leveraging his extensive training and experience to provide comprehensive and individualized care for his young patients and their families.
