Overview

Dr. Umar Mushir is a highly experienced Neuro Psychiatrist based in Lucknow, Uttar Pradesh. With a commendable 15 years of experience in the field, Dr. Mushir has dedicated his career to understanding and treating complex neurological and psychiatric conditions. He holds an MBBS degree followed by an MD in Psychiatry, which equips him with a robust foundation to address various mental health issues, particularly those where neurological factors intertwine. Dr. Mushir is proficient in English, Hindi, and Urdu, allowing him to effectively communicate with a diverse range of patients and their families. His practice, under the prestigious Apollo group, reflects his commitment to delivering quality healthcare. Patients appreciate his compassionate approach and thoroughness in diagnosis and treatment, making him a trusted choice for individuals seeking help with mental health concerns. As a Neuro Psychiatrist, he specializes in conditions that affect both the brain and behavior, ensuring that his patients receive comprehensive care that addresses both physical and psychological well-being. Dr. Umar Mushir is not just a medical professional; he is a dedicated advocate for mental health awareness and strives to create a supportive environment for recovery.
