Overview

Dr. Varada Koteswar Rao is a highly experienced Neonatalogist practicing in Hyderabad, Telangana. With an impressive 37 years of dedicated medical service, he has become a trusted name in the field of neonatology. Dr. Rao completed his MBBS, followed by MD in Paediatrics and another MD specializing in Neonatology from esteemed institutions in the USA, equipping him with a comprehensive understanding of both general and specialized pediatric care.

Fluent in multiple languages including English, Hindi, and Telugu, Dr. Rao is well-equipped to communicate effectively with a diverse patient population, ensuring that families feel comfortable and informed during their visits. His expertise in managing the delicate needs of newborns, particularly those requiring intensive care or being born with health challenges, makes him an invaluable asset to the Apollo network.

Dr. Rao is driven by a passion for improving neonatal outcomes and works tirelessly to provide the highest quality of care to his patients. His commitment to advancing pediatric healthcare is evidenced by his years of practice and continual engagement in professional development.

As a distinguished member of the Apollo healthcare system, he participates in collaborative efforts to enhance patient care standards, contributing to a supportive environment where healthcare professionals work together for the well-being of their young patients. Parents looking for compassionate and expert care for their newborns can trust Dr. Varada Koteswar Rao for his profound knowledge, experience, and commitment to pediatric health.
