Overview

Dr. Akshya Singh is a highly skilled pulmonologist with a decade of dedicated experience in the field of respiratory medicine. Based at Apollo Hospitals on Seepat Road in Bilaspur, he has established himself as a trusted expert in diagnosing and treating a wide range of pulmonary conditions. Dr. Singh earned his MBBS and MD in Pulmonology, equipping him with a solid foundation and advanced knowledge necessary to provide exceptional care to his patients. His extensive training and commitment to staying abreast of the latest advancements in respiratory health enable him to deliver evidence-based treatments tailored to individual needs. In his practice, Dr. Singh focuses on a comprehensive approach to patient care, emphasizing the importance of understanding each patient's unique circumstances. He believes in fostering a collaborative relationship with his patients, ensuring they feel heard and involved in their treatment plans. His areas of expertise include chronic obstructive pulmonary disease (COPD), asthma, interstitial lung disease, and sleep-related breathing disorders, among others. Dr. Singh is dedicated to not only treating existing conditions but also educating patients on preventive measures and lifestyle modifications that can enhance their respiratory health. As a valued member of the Apollo Hospitals team,

Dr. Singh is committed to upholding the institution's reputation for excellence in healthcare. His compassionate demeanor and professional integrity resonate with both patients and colleagues alike, making him a respected figure in the medical community. At Apollo Hospitals, he continues to make significant contributions to the field of pulmonology, ensuring that patients receive the highest standard of care in a supportive and nurturing environment.
