Overview

Dr. Boddula Prashanth is an accomplished Surgical Gastroenterologist practicing at Apollo Hospitals, DRDO, Kanchanbagh, with over 12 years of experience in surgical care. He holds MBBS, MS in General Surgery, and DrNB in Surgical Gastroenterology, highlighting his advanced specialization in gastrointestinal and hepatobiliary surgery. His deep-rooted expertise and rigorous training have earned him recognition as a dependable surgeon for managing both routine and complex GI conditions. Fluent in English, Telugu, and Hindi, Dr. Prashanth ensures clear and empathetic communication with patients from varied linguistic backgrounds. His clinical focus includes minimally invasive gastrointestinal surgeries, hepatobiliary procedures, and treatment of gastrointestinal malignancies. His approach is centered on individualized care, emphasizing accurate diagnosis, patient education, and surgical precision. Known for his methodical and patient-friendly consultations, Dr. Prashanth prioritizes both safety and long-term health outcomes.

Dr. Boddula Prashanth remains committed to staying abreast of evolving technologies and techniques in surgical gastroenterology. He actively collaborates with multidisciplinary teams to deliver holistic treatment

plans tailored to each patient's condition. His dedication to excellence, combined with a compassionate bedside manner, makes him a trusted name for surgical gastroenterology services in Hyderabad and the surrounding region.
