Overview

Dr. Shailesh Mehta is a highly experienced Obstetrician and Gynecologist at Apollo Hospitals, Pune, with over 23 years of expertise in women's healthcare. He holds an MBBS, MD in Obstetrics & Gynecology, and DNB, reflecting his advanced training and extensive clinical experience in managing a wide range of gynecological and obstetric conditions. His areas of expertise include high-risk pregnancies, routine and complex deliveries, minimally invasive gynecological surgeries, infertility management, and comprehensive reproductive health care, ensuring holistic care for women at every stage of life.

Fluent in English, Hindi, and Marathi, Dr. Mehta emphasizes strong patient communication, ensuring women and their families fully understand their diagnosis, treatment options, and post-care guidance. Known for his compassionate and patient-centered approach, he takes the time to address concerns and educate patients, empowering them to make informed decisions about their health. His dedication to individualized care fosters trust and confidence, making patients feel supported throughout their healthcare journey.

At Apollo, Dr. Mehta combines state-of-the-art technology with evidence-based practices to provide safe, effective, and personalized care. He collaborates closely with multidisciplinary teams to manage complex cases, ensuring optimal outcomes in both obstetric and gynecological care. Dr. Shailesh Mehta is recognized as a trusted name in women's healthcare in Pune, committed to enhancing patient well-being through expert, compassionate, and comprehensive care.
