Overview

Dr K Ravi Kumar is a dedicated and skilled Neurologist with over 7 years of clinical experience in the field of neurology. He holds a MBBS, an MD in Pediatrics, and advanced specialization with a DM in Neurology and DrNB (Neurology), reflecting his strong academic foundation and commitment to excellence in neurological care.

Dr. Ravi Kumar has a special interest in diagnosing and managing a broad spectrum of neurological disorders, including stroke, epilepsy, movement disorders, neuropathies, and neuroinfections. His background in pediatrics further enhances his ability to provide comprehensive neurological care for both adult and pediatric patients.

With a patient-focused approach and emphasis on compassionate, evidence-based treatment, Dr. Ravi Kumar is recognized for his clinical precision and dedication to improving patient outcomes through personalized care and ongoing medical advancement.

He is currently practicing at Apollo Speciality Hospitals, Teynampet, Chennai.
