Overview

Dr. Akash Anand Dobhada is a dedicated Gastroenterology and GI Medicine Specialist with over 13 years of medical experience, known for his strong clinical acumen in managing digestive, liver, and pancreatic disorders. He holds an MBBS, DNB in General Medicine, and DNB in Medical Gastroenterology, reflecting a solid academic foundation in internal medicine and advanced gastroenterology. Currently, he practices at Apollo Hospitals, Old Sainik School Road, Bhubaneswar, where he serves as a consultant in the Department of Gastroenterology, Hepatology, and Endoscopy.

Dr. Dobhada has significant expertise in both diagnostic and therapeutic procedures, including endoscopy, colonoscopy, ERCP, EUS, and advanced third-space endoscopy techniques. Before entering gastroenterology, he gained six years of experience in General Medicine and Nephrology, strengthening his ability to manage complex medical cases with a holistic approach. He is also a member of the Indian Medical Association, contributing to ongoing medical learning and professional development.

With a blend of advanced procedural skills, broad clinical experience, and patient-centric care, Dr. Akash Anand Dobhada is recognized as a reliable and skilled gastroenterology specialist in Bhubaneswar.
