## Overview

Dr. S. Syed Mohamed Ashiq is an accomplished General and Laparoscopic Surgeon with eight years of experience, specializing in Hepatopancreaticobiliary (HPB) surgery and Liver Transplant. He completed his MBBS and MS in General Surgery from Sree Balaji Medical College & Hospital, Chennai, and further enhanced his global exposure with a Health Education Australia Limited (HEAL) short course in Melbourne, Australia. He is registered with the Tamil Nadu Medical Council under registration number 98195.

Dr. Ashiq currently serves as an Assistant Professor in the Department of General Surgery at Srinivasan Medical College and Hospital, Trichy. Previously, he worked as Senior Resident and Assistant Professor in the Department of General Surgery & HPB Liver Transplant at PSG Institute of Medical Sciences & Research, Coimbatore, where he gained significant expertise in advanced HPB and transplant-related procedures. He began his surgical career at Aswene Soundra Hospital & Research Center, Chennai. Actively involved in academics and clinical research, Dr. Ashiq has presented scientific papers at the ASI Tamil Nadu & Pondicherry Chapter and the ASI National Conference in Mysore. His research contributions

include studies such as Rare Case of Penetrating Abdomino-Thoracic Injury, Interesting Case of Bilateral Breast Carcinoma, and a Retrospective Study of Torsion Testis. He is also an active member of a liver transplantation team, reflecting his advanced surgical skills and multidisciplinary expertise.

Dr. Ashiq is known for his precision in surgical techniques, patient-centric approach, and dedication to minimally invasive solutions for complex surgical conditions, making him a trusted specialist in general, laparoscopic, and HPB surgery.
