Overview

Dr. Gopi Tupkar is a highly experienced General and Laparoscopic Surgeon based in Secunderabad, Telangana, with over 13 years of dedicated practice in the field. He holds advanced qualifications including an MS, MRCS (London), FMAS, and DIPMAS COLORECTAL, which underscore his expertise in performing complex surgical procedures. Dr. Tupkar is well-versed in multiple languages, including Hindi, Telugu, Kannada, and English, enabling him to communicate effectively with a diverse patient population. Recognized for his exemplary contributions to the medical field, he has received prestigious accolades such as the Dr. Palanivelu Award for the Best Post Graduate Award Paper at the ASI ASICON National Conference in 2015, and the Best Poster Presentation Award at the same conference in 2014. These achievements not only highlight his commitment to excellence but also his active involvement in advancing surgical practices.

As a specialist in General and Laparoscopic Surgery, Dr. Tupkar is adept at employing minimally invasive techniques, providing a range of surgical services aimed at improving patient outcomes. His practice at Apollo Hospital ensures that he is equipped with the latest technological advancements in surgery,

fostering a patient-centric approach to healthcare.

Patients can expect compassionate care, a thorough evaluation, and tailored treatment plans designed to meet their specific needs. Dr. Gopi Tupkar's dedication to his patients combined with his extensive expertise makes him a trusted choice for individuals seeking surgical care in the region.
